What do you like about industry in which FRTC operates?

Passionate about quality Training & Development, and how it impacts people's lives and in this way we make our mark on the industry and improve it for the better

What's the best part about working at FRTC?

Constantly growing and improving ourselves year after year, so that loyal Employers keep doing business with us, and improve Learners experiences year after year to ensure each year's project delivery is better than the previous.

What do you like about industry in which FRTC operates?

I like that it promotes continuous learning for employed learners which helps them close skills gaps in their workplace and that it also provides learnerships for the unemployed youth which helps them become employable in their respective fields of study

What's the best part about working at FRTC?

Open communication channels among the team members.

ELMARIE KOEKEMOER

MELINDA NAKEDI

Tell us about your educational background and work experience:

I have 7 years working experience in the Hospitality Industry and obtained my Certificate in Hospitality Management. I have filled numerous roles, which include administration and dealing with people.

How long have you been at FRTC?

Started January 2018

What do you like about industry in which FRTC operates?

It's an industry where learners, both employed and unemployed, can better themselves. The qualification they receive does not bound them to one company, but opens up a whole new set of doors for them.

What's the best part about working at FRTC?

In the short time I have been with FRTC, the most rewarding part is seeing a dedicated and hardworking learner becoming competent and taking another step closer to their goal.
