## TALKSURE STAFF TO GRADUATE IN DECEMBER

Felix Risk Training Consultants in partnership with Talksure has upskilled staff in the areas of Short-Term Insurance, Sales and Customer Relations and Generic Management in conjunction with Inseta and BANKSETA. Learners placed on Learnerships during the 2017 training year will graduate in December.

“Felix Risk Training Consultants aims to provide training services that are of high quality standards and which meet the needs and expectations of our clients, thereby opening opportunities for mutual growth and prosperity of all stakeholders,” said director, Bernadette Felix.

As a licensed financial services provider, Talksure offers broker and intermediary solutions for a range of leading insurers with a range of insurance products

including personal lines, short-term insurance, long-term insurance and medical gap cover. “Talksure takes great pride and responsibility in being a financial services provider that responsibly lend to clients and that is why upskilling staff with facts of legislative requirements is of great importance to our company,” said Maggie Kistan, Training and Development Executive at Talksure. “We have partnered previously with Felix Risk Training Consultants and find that there is exceptional value and growth in business from qualitative training of staff.”

Elmarie Koekemoer, Quality Assurance Manager at Felix Risk Training Consultants confirms Learnership implementation, and all related actions, are taking place as per the project timelines agreed upon at the start of the learnership. Learners are set to complete on time. Our admin team offer valuable learner support services to our students and we look forward to celebrating their success on their graduation day.
